MEMORANDUM

FOR THE MEMBERS OF THE RESTORATION ADVISORY BOARD (RAB)
INSTALLATION RESTORATION STUDY, NAVAL WEAPONS STATION (NWS) EARLE
COLTS NECK, NJ

As discussed at the RAB meeting of March 11, 1997, the Proposed Plans for Sites 4 and 5 (Operable Unit (OU) 1) and Site 19 (OU-2) have been completed. These documents are enclosed for your information. They are also available for public review at the Eastern Branch of the Monmouth County Library in Shrewsbury in the Information Repository. A public meeting to discuss these Proposed Plans will be held on Thursday, April 24 at 7:00 PM at the Courthouse in Colts Neck. RAB member participation at this meeting is welcome.

The Proposed Plan for Site 26 is being temporarily withheld by mutual agreement of the Navy, EPA, and NJDEP so the relative benefits and limitations of the viable options can be examined more thoroughly.

If you have any questions or comments regarding any of this information, please contact me at (610) 595-0567 extension 157 or Mr. Greg Goepfert at (908) 866-2515.

Sincerely,

John P. Kolicius
Remedial Project Manager
