Re: Revised UST RI Work Plan  
Various Sites - dated June, 1994

Site Investigation Report  
Summary of Findings - dated September 15, 1994

NWS Earle  
Colts Neck Township, Monmouth County

Dear Mr. Pawlus:

The New Jersey Department of Environmental Protection (NJDEP) has reviewed the above referenced documents and have the following comments:

Revised UST RI Work Plan for Various Sites:

The Department has determined that all comments have been incorporated in the Revised RI Work Plan as per the May 18, 1994 NJDEP correspondence to you. This RI workplan is approved.

Site Investigation Report - Summary of Findings:

- 1) Section 2.2.9 - The report mentions that excavation of contaminated soils was halted because of a soil remediation effort that will be taking place in this area. Please explain this future remediation effort.
- 2) Please include actual photos or color copies. It is difficult to interpret the xerox copies of photos now included in the report.

If you have any questions, please contact me at (609)-633-1455.

Sincerely,

Bob Marcolina, Case Manager  
Bureau of Federal Case Management
