RE: Underground Storage Tank Removal
Building C-36
Case # 92-I-28-1031
UST # 0151003
TMS # C-91-4057

Dear Sir:

On February 27, 1992, the New Jersey Department of Environmental Protection and Energy (the Department) received a report from Naval Weapons Station Earle. This report documents the action undertaken in response to the closure of your underground storage tank system.

Based on our review of the information submitted, we find that Naval Weapons Station Earle has complied with the Department's existing requirements regarding closure of underground storage tank system (s). Therefore, you are not required to conduct any corrective actions pursuant to N.J.A.C. 7:14B-8 at this time.

Thank you for your cooperation in this matter.

Very truly yours,

Kc Kenneth T. Hart, Assistant Director
Industrial Site Evaluation Element

c: William McBride, Colts Neck Twp. Health Dept.
Linda Flint, Case Manager
