Contract Task Order (CTO) 0031

Subject: Draft Site Characterization Report
Underground Storage Tank (UST) Investigation at Building C-17
NWS Earle
Colts Neck, New Jersey

Dear Mr. Helland:

As per CTO 0031, please find attached one copy of the subject report. As requested in the statement of work, three copies of the subject report have been transmitted to the commanding officer at NWS Earle, under separate cover.

To facilitate issuance of the Final Site Characterization Report for CTO 0031, please submit all peer review comments to me by May 8, 1992. As per our telephone conversation of March 30, 1992, the Final Site Characterization Report/DICAR Summary is due to the Navy on May 29, 1992.

Please contact me at the number above if you have any questions or comments.

Respectfully,

Jill Hartnell
Project Manager
