RE: Closure Certifications for the Two Thousand (2,000) Gallon Underground Waste Oil Storage Tank Located West of Building C14, Naval Weapons Station Earle, Colts Neck, Monmouth County, EPA ID No. NJ0 170 022 172, CP-86-1

Dear Mr. Goepfert:

The Bureau of Hazardous Waste Engineering (Bureau) after review of its files has determined that Naval Weapons Station Earle has not submitted the owner or operator and New Jersey professional engineer certifications required by Condition 5 of the Bureau's March 24, 1987 subsequently revised December 5, 1990 approved closure plan and N.J.A.C. 7:26-9.8(1) for the closure of the two thousand (2,000) gallon underground waste oil tank located West of Building C14.

Therefore, please submit the required certifications within thirty (30) days from the date of this letter.

If you have any questions regarding this matter, please call John P. Scott of my staff at (609) 292-9880.

Very truly yours,

Thomas Sherman, Chief
 Bureau of Hazardous Waste Engineering
