Dear Mr. Helland:

Brown & Root Environmental is pleased to provide three copies of the subject final reports. We are providing you two copies of each document, and we forwarded one set of copies to Larry Burg at NWS Earle. Please note that the electronic deliverables are provided on a compact disc (CD) included as Appendix B, in a pocket at the end of each report copy. Each CD contains all of the applicable data for all three sites.

As always, we appreciate the opportunity to complete technical services for the Navy. Do not hesitate to contact me if you have any additional questions.

Sincerely
