Dear Captain Nicholson:

RE: Naval Weapons Station Earle
NJPDES NJ 0023540

Your June 11, 1987 letter states the Navy's intentions to submit a complete application for the approval of sewer extensions to the Naval Weapons Station-Earle Waste Water Treatment facility within 90 to 120 days. NJDEP is agreeable to receiving this submission by September 9, 1987. If the Navy fails to submit the application by September 9, 1987 or fails to submit an explanation of why this date cannot be met, enforcement action shall be taken against the Department of Navy by the NJDEP.

The Department is looking forward to receiving the required application at the earliest possible date.

Very truly yours,
