Mr. Henry J. Sokolowski  
Chief, Federal Facilities Section  
U.S. Environmental Protection Agency  
Region III  
841 Chestnut Building  
Philadelphia, Pennsylvania 19107

Dear Mr. Sokolowski:

Forwarded for your review is the Draft/Final Preliminary Assessment/Site Investigation LACV-30 Maintenance Facility Wetlands Area for Fort Story, Virginia. We would like to request your comments on this report by May 4, 1992. If your agency feels there is a need for more formal discussion, representatives from the installation will be available to meet with you.

Comments may be forwarded to Ms. Joan VanDervort of my staff. Should you desire to arrange a meeting, please feel free to contact her at (804) 878-4123.

Sincerely,

ORIGINAL SIGNED

Wesley J. McMillan
