Re: DEQ Tracking Number PC 92-1047, LARC Maintenance Area
Wash Rack, Fort Story, Virginia Beach, VA.

Dear Mr. McCall:

Thank you for submitting your Final Bioremediation
Activities Report dated November 9, 1994 to the Tidewater
Regional Office. Your report has been assigned to me for review.
My telephone number is (804) 552-1157.

If you have not received a response to your submittal within
30 days, please contact me to determine the status of your case.

Sincerely,

Amy T. Webster
Ground Water Section
