Dear Lt. Colonel McMillan:

Your Interim Abatement Measures Report and Site Characterization Report Checklists dated January 1992 have been received in the Tidewater Regional Office, and have been assigned to J. P. Fly for review. The telephone number is (804)552-1840.

We currently have a tremendous case load under review. If you have not received a response to your submittal within 60 days, please contact the above staff member to determine the status of your case. Your patience and cooperation are appreciated.

Sincerely,

David E. Borton
Ground Water Manager
