RE: LARC 60 Maintenance Area  
Work Plan Addendum – Groundwater Investigation  
and Treatability/Feasibility Study

Dear Ms. Bateman:

Thank you for providing the Department of Environmental Quality – Office of Remediation Programs, the opportunity to review the LARC 60 – Work Plan Addendum for the Groundwater Investigations Treatability/Feasibility Study. Subsequent to our internal review, this office has no additional comments.

The Department of Environmental Quality – Office of Remediation finds the work plan acceptable.

Please let me know what your schedule is for commencing the work, as we would like to schedule a site visit while the work is being performed.

Should you have any questions with regard to this review, please contact me at 804-698-4261.

Sincerely,

A handwritten signature in cursive script that reads "Tony Parnell".
