Dear Ms. Bateman:

Malcolm Pirnie is pleased to provide to Fort Eustis this **Final Work Plan Addendum** (3 copies) in support of the groundwater investigations for the upcoming Treatability and Feasibility Studies at the LARC 60 Maintenance Area site at Fort Story, Virginia. In a letter dated November 22, 2002, VDEQ considered the draft Addendum acceptable and no changes have been made.

Two copies of this Addendum have also been submitted to Mr. Tony Parnell at the Virginia Department of Environmental quality (VDEQ) for his files.

It has been a pleasure to provide this document to Fort Eustis. We look forward to further discussions relative to this project.

Very truly yours,
