PUBLIC HEARINGS

U.S. Army Transportation Center Fort Eustis, Virginia Invites Public Comment on Site Closure for the Firefighter Training Area and Auto Craft Building Area at Fort Story, Virginia

The Fort Eustis environmental office is seeking public comments on the site closure plan for two sites at Fort Story, Virginia. A Final Decision Document has been prepared for the Firefighter Training Area and the Auto Craft Building Area which presents the Selected Remedy (No Action). The Selected Remedy (No Action) was chosen in accordance with the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA), and the National Oil and Hazardous Substances Pollution Contingency Plan (NCP). The Virginia Department of Environmental Quality (VDEQ) has reviewed the Final Decision Document, and with the Army, jointly selects the remedy in accordance with CERCLA.

No Action is necessary at these sites based on the limited contamination detected at the site, and trends that indicate the total petroleum hydrocarbons (TPH) concentrations at both sites, and volatile organic compound (VOC) concentrations at the Firefighter Training Area, in soil and groundwater are decreasing due to volatilization, dispersion, and biodegradation associated with site conditions. In addition, results of a baseline risk assessment, conducted as part of a Remedial Investigation report, did not identify receptors and potentially exposed populations.

Fort Eustis welcomes the public's comments on the Final Decision Document. The formal comment period ends **September 15, 2004**. Copies of the Final Decision Document, along with other documents related to these sites, will be available for review at the following libraries:

The Fort Story Library 530 Solomons Road Fort Story, VA 23459 (757) 422-7548 11 am to 6 pm (MWThF) 10 am to 6 pm (T)	Virginia Beach Public Library 4100 Virginia Beach Blvd Virginia Beach, VA 23452 (757) 431-3001 11 am to 9 pm (MTWTh) 10 am to 5 pm (FS) 1 pm to 5 pm (Su Oct-May)
