Subject: Revision 1 to the Draft Work Plan

Dear Mr. Leahy:

IT Corporation (IT) is pleased to submit three copies of Rev. 1 dated March 20, 1995 to the Draft Work Plan, Contractor Sampling and Analysis Plan (CSAP) and Site Specific Health and Safety Plan (SSH&SP) for the 80th Division Removal Action at Fort Story, Virginia. This revision incorporates the change from on-site to off-site thermal remediation and the need to provide backfill from an off-site source.

Should you have any questions concerning this submittal, please contact the undersigned at 412/372-7701.

Respectfully submitted,

IT Corporation
