REPLY TO
ATTENTION OF:

Directorate of Public Works

Mr. Durwood Willis
Virginia Department of Environmental Quality
Federal Facilities Program
629 East Main Street
Richmond, Virginia 23219

Dear Mr. Willis:

Enclosed are three copies of the *Draft Report Remedial Investigation Human Health and Ecological Risk Assessments, Firefighter Training Area, LARC 60 Maintenance Area, Auto Craft Building Area, Fort Story, Virginia*, dated August 1997. These risk assessments constitute Sections 6 and 7 of the RI Report. Please review the enclosed report and provide us with your comments.

Upon receipt of your comments to the risk assessments, a final RI Report will be prepared which will address you comments to both the previously submitted Draft RI Report and the revised risk assessments. If you have any questions or concerns, please contact Mr. Dan Musel at (757)878-3817.

Sincerely,

A handwritten signature in cursive script that reads "Stephen A. McCall".

Stephen A. McCall
Chief, Environmental and
Natural Resources Division
