LETTER TRANSMITTING STAKEHOLDER DRAFT HISTORICAL RECORDS REVIEW (HRR)
REPORT FORT STORY VA
2/15/2008
URS

February 15, 2008

Mr. Christopher Evans
USACE, Baltimore District
10 South Howard Street
Attn: CENAB-EN-HM, 10th Floor
Baltimore, MD 21201

Re: Transmittal of Stakeholder Draft
Historical Records Review (HRR) Report
Fort Story, Virginia
Contract W912DR-06-C-0028

Dear Mr. Evans:

Enclosed please find two (2) hard copies and two (2) electronic copies of the above-referenced draft report for your review and comment. We have also included a hard copy of the comments received on the Army Draft version of the document and our responses which have all been entered into DrChecks.

As per the attached distribution list, we also submitted copies of this letter, the transmittal letter to VDEQ, and the Stakeholder Draft Report to Ms. Joanna Bateman at Fort Eustis, Mr. Gary Longmire at Fort Story, and Mr. Travis McCoun and Mr. Francis Coulters of USAEC for review and comment. As per our contract, if the Army reviewers can complete their review and provide us with their comments within 20 business days, it would be appreciated.

We will also be arranging a second Technical Project Planning Meeting to discuss the findings of the HRR and appropriate next steps for the Site Inspection, and we are tentatively targeting for the week of March 17th for this meeting.

If you need additional copies or have any questions, please call me at (301) 258-5876.

Sincerely,

URS Group, Inc.

Scott McClelland, PG
Project Manager

Re: Transmittal of Stakeholder Draft
Historical Records Review (HRR) Report
Fort Story, Virginia
Contract W912DR-06-C-0028

Dear Mr. Smith:

On behalf of Ms Joanna Bateman of the Fort Eustis Directorate of Public Works, enclosed please find two (2) hard copies and two (2) electronic copies of the above-referenced stakeholder draft report for your review and comment.

If possible, we would appreciate your comments within 20 business days (30 calendar days). We would also like to meet with you and any other VDEQ representatives you think appropriate in a second Technical Project Planning Meeting to discuss the findings of the HRR Report, and comments you may have, and the appropriate next steps in the Site Inspection process. It is our intent to schedule this meeting sometime around the week of March 17th to provide you with time to review the document, and will work with you as well as the Army stakeholders to coordinate a mutually convenient time and date.

If you need additional copies or have any questions, please call me at (301) 258-5876.

Sincerely,

URS Group, Inc.
