RE: Naval Industrial Reserve Ordnance Plant Superfund Site

Dear Mr. Sanders:

The Minnesota Pollution Control Agency (MPCA) staff has reviewed the Mark Sladic's letter to me dated August 27, 1999 regarding the "Anoka Park Investigation Plan." The Anoka Park Investigation Plan is for Operable Unit 1 (OU 1) of the Naval Industrial Reserve Ordnance Plant Superfund Site and was submitted pursuant to the Federal Facility Agreement, dated March 27, 1991, between the MPCA, the U.S. Environmental Protection Agency (U.S. EPA), and the U.S. Navy (Navy).

The MPCA staff approves the Navy's responses in this letter.

If you have any questions regarding this letter, please contact me at (651) 296-7818.

Sincerely,

A handwritten signature in black ink, appearing to read "David N. Douglas".
