RE: Naval Industrial Reserve Ordnance Plant Superfund Site

Dear Mr. Meyers:

The Minnesota Pollution Control Agency (MPCA) staff has reviewed the proposal for sub area A4 that you described in your letter of April 12, 2002 to Craig Thomas and me. The proposal is for the Naval Industrial Reserve Ordnance Plant (NIROP) Superfund Site and was submitted pursuant to the Federal Facility Agreement, dated March 27, 1991, between the MPCA, the U.S. Environmental Protection Agency (U.S. EPA), and the U.S. Navy (Navy).

The MPCA staff hereby approves the proposal.

If you have any questions regarding this letter, please contact me at (651) 296-7818.

Sincerely,
