RE: Naval Industrial Reserve Ordnance Plant Superfund Site

Dear Mr. Meyers:

The Minnesota Pollution Control Agency (MPCA) staff has reviewed the reports entitled, "Remedial Investigation for Operable Unit 3, Naval Industrial Reserve Ordnance Plant, Fridley, Minnesota, Volume 1 of IV Text," dated April 2002 and "Supplemental Remedial Investigation Information Report, Naval Industrial Reserve Ordnance Plant, Fridley, Minnesota," dated April 2002, submitted by Mark Sladic of Tetra Tech NUS, Inc., in his letter of April 17, 2002. The reports are for the Naval Industrial Reserve Ordnance Plant (NIROP) Superfund Site and were submitted pursuant to the Federal Facility Agreement, dated March 27, 1991, between the MPCA, the U.S. Environmental Protection Agency (U.S. EPA), and the U.S. Navy (Navy).

The MPCA staff hereby approves the reports, to include final changes to Section 7.4 of the report entitled, "Remedial Investigation for Operable Unit 3, Naval Industrial Reserve Ordnance Plant, Fridley, Minnesota, Volume 1 of IV Text," dated April 2002, identified in the electronic document entitled, "Section7.4\_MPCA&EPA\_changes.doc," from Mark Sladic's email message of May 17, 2002.

Mr. Jeff Meyers
