Subject: Review of the Technical Memorandum-Work Plan Addendum to the Final Work Plan for a Field Application to Enhanced In-Situ Bioremediation of Chlorinated Solvents via Vegetable Oil Injection, dated January 6, 2005

Dear Mr. Owens:

The United States Environmental Protection Agency, Region 5 (USEPA) Federal Facilities Response Section has finished the review of the Technical Memorandum-Work Plan Addendum to the Final Work Plan for a Field Application to Enhanced In-Situ Bioremediation of Chlorinated Solvents via Vegetable Oil Injection, dated January 6 2005, for the Naval Industrial Reserve Ordnance Plant, Fridley, Minnesota. The USEPA believes all of its concerns have been addressed and finds the Work Plan Addendum to be acceptable. If you have any questions, please call me at (312) 886-6450 or e-mail me at [smith.thomasl@epamail.epa.gov](mailto:smith.thomasl@epamail.epa.gov)

Sincerely,

A handwritten signature in black ink that reads "Thomas L. Smith".
