Corey,

Illinois EPA has signed the signature page for the Site 12 SAP Addendum as requested. A hard copy should go out in today's mail. In order to ensure it is received in a timely manner, I am sending a .pdf copy of the signature page via electronic mail. Please let me know if it does not arrive in tact or if there are any other questions.

One other thing, could you confirm the field work schedule for Sites 12 and 5, please? Is the plan still to mobilize tomorrow and work through the weekend? I need to know so that I can adjust my schedule accordingly. Thanks.

Respectfully,

Brian A. Conrath
Illinois EPA

Terese,

Attached are the Site 12 SAP worksheets that require Navy and Illinois EPA signature. Please sign them and forward to Brian Conrath for his signature. Hopefully, Brian can expedite his review of the SAP and provide these back to me in electronic format by Wednesday (12/12/12).

Thanks for everyone's help,
