**Subject:** [Non-DoD Source] Public Comments - Site 12 Proposed Plan, Naval Station Great Lakes

Mr. Sheppard,

The public comment period for the Site 12 Proposed Plan ended on March 1 (postmark required date if comments were mailed by the USPS) and a week has passed to allow for delivery of the comments. We were wondering if you received any comments? Please respond by e-mail as I will be out of the office for the next couple of days. Thanks for accepting the comments and providing them to us.
