Subject: *Final SWMU 3 – Pier 10 Sandblast Yard and SWMU 7b – Desert Cove Benthic Invertebrate Sediment Sampling Work Plan and Sampling and Analysis Plan, Joint Expeditionary Base Little Creek-Fort Story, Naval Amphibious Base Little Creek, Virginia Beach, Virginia*
Navy Clean III Program, Contract N62470-02-D-3052, Contract Task Order 0222

Dear Mr. Peed:

This transmittal documents the distribution of an electronic version of the *Final SWMU 3 – Pier 10 Sandblast Yard and SWMU 7b – Desert Cove Benthic Invertebrate Sediment Sampling Work Plan and Sampling and Analysis Plan*, Joint Expeditionary Base Little Creek-Fort Story, Naval Amphibious Base (NAB) Little Creek, Virginia Beach, Virginia as well as a redline version of the native text and the responses to the comments provided by Virginia Department of Environmental Quality (VDEQ). Per the August 24, 2010 NAB Little Creek Partnering Team (Team) conference call, no formal responses to United States Environmental Protection Agency (USEPA) comments, received via email on August 18, 2010, were prepared. Team discussion of these comments is documented in the August 24, 2010 conference call meeting minutes which will accompany the final document in the Administrative Record File. Electronic copies of the final document, final redline text, response to comment letter, meeting minutes, and this transmittal letter are being provided to the Team via the FTP website as outlined on the distribution list below.

If you have any questions or comments regarding the enclosed document, please feel free to contact me at 757.671.6266.

Sincerely,

CH2M HILL
