I just wanted to get a final thumbs up on the version distributed by Bryan (the attached version incorporates the comments but does not show the highlighting or redline changes). If everyone is ok with it, I'll print them out and have them ready for signature at the meeting. Thanks everyone.

David

Subject: MWR Skeet Range Signature Concurrence Page

Hello team,

We are hoping to sign the final concurrence page for the MWR Skeet Range during the January 2011 Partnering Team Meeting. Prior to signing the concurrence, we will collectively go over the final requested changes in redline during the meeting. Jeff had a few comments on the actual concurrence page that we were hoping to get approval on prior to the meeting so that we could bring hardcopies to sign. Please review the attached concurrence page and let us know if you have any additional revisions or concerns prior to COB on Tuesday (Jan 25th). Thanks so much.

David
