Subject: *Final Remedial Investigation Addendum Report for Site 11a* at Joint Expeditionary Base Little Creek, Virginia Beach, Virginia
Navy Clean Program, Contract N62470-02-D-3052, Contract Task Order 125

Dear Mr. Peed:

As discussed during the Joint Expeditionary Base (JEB) Little Creek Partnering Team (Team) Meeting on December 1, 2010, the hardcopy of the *Final Remedial Investigation Addendum Report for Site 11a* at JEB Little Creek, Virginia Beach, Virginia will be documented by inclusion as an appendix in the Site 11a, Building 3033 Former Vehicle Repair Facility and Waste Oil Tank Feasibility Study. Per Team request, this transmittal documents the distribution of an electronic redline version of the *Final Remedial Investigation Addendum Report for Site 11a* as well as the distribution of the responses to the comments provided by Virginia Department of Environmental Quality (VDEQ) and United States Environmental Protection Agency (USEPA). The redline version of the final document, response to comment letters, and this transmittal letter are being provided to the Team via the FTP website as outlined on the distribution list below.

Please feel free to contact me at (757) 671-6236 if you have any questions concerning this transmittal.

Sincerely,

Adrienne Jones
Project Manager
