Navy CLEAN 1000, Contract N62470-08-D-1000, Task Order 006

Dear Mr. Herman:

On behalf of the Navy, CH2M HILL is pleased to submit the following response to the comments from VDEQ received via email on June 27, 2012 on the *Draft Site Management Plan Fiscal Years 2013 through 2017, Joint Expeditionary Base (JEB) Little Creek-Fort Story, JEB Little Creek, Virginia Beach, Virginia* (CH2M HILL, May 2012):

Comment 1: Table 2-12: The future of LTM sampling at Sites 9 and 10 remains unknown as the document "LTM Exit Rationale for Sites 9 and 10" is still under regulatory review. Please add LTM to the schedule as it is listed in Section 2.4.3 as a planned activity for these sites.

Response: Table 2-12 has been revised to include the Sites 9 and 10 LTM.

The above response (and other Team comments/responses) will be incorporated into the final version of the JEB Little Creek FY 2013 through 2017 Site Management Plan.

Please do not hesitate to contact me at 757-671-6280 if you have any questions concerning the response.

Sincerely,

A handwritten signature in black ink, appearing to read "Nathaniel Price".
