Draft Site Management Plan for Fiscal Years 2013-2017

Dear Mr. Peed:

The Virginia Department of Environmental Quality (VDEQ), Office of Federal Facilities Restoration has reviewed the *Draft Site Management Plan for Fiscal Years 2013-2017 (SMP)* dated May 2010. Based on this review the following comment is offered.

1. Table 2-12: The future of LTM sampling at Sites 9 and 10 remains unknown as the document "LTM Exit Rationale for Sites 9 and 10" is still under regulatory review. Please add LTM to the schedule as it is listed in Section 2.4.3 as a planned activity for these sites.

Should you have any questions concerning these comments, please give me a call at (804) 698-4464.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul E. Herman".
