Subject: RE: JEBLC FYR

Team,

VDEQ received and reviewed the change pages for the Final Second Five Year Review. The following comments are offered.

1. Was the package supposed to include a final CD?
2. The 5YR Summary Form entry for Site 13 should note the costs are *above* the range estimated in the ROD.

These aren't show stopping comments. VDEQ will prepare their concurrence letter but expects the revised page of the summary form will be provided via email and, once this last revision is made, a final CD will be mailed.

Please let me know if you have any questions.
