Dear Mr. Park:

Thank you for providing the Virginia Department of Environmental Quality (VDEQ), Waste Division, Office of Federal Facilities Restoration, a copy of the *Draft Final Proposed Remedial Action Plan (PRAP) for Site 7: Amphibious Base Landfill, Naval Amphibious Base Little Creek, Virginia Beach, Virginia.*

VDEQ has completed it's review of the subject document and has no specific comments at this time. However, it should be noted that there are outstanding comments from VDEQ (See letter from R. Weld dated March 13, 1997) on the Draft Final Feasibility Study for Site 7 that depending upon their resolution may have an impact on the content of the PRAP and it's date of finalization. If you have any questions, please feel free to call me at (804) 698-4227.

Sincerely,

A handwritten signature in black ink, appearing to read "R. J. Weld".
