**Record of Decision
for
Site 12 Former Exchange
Laundry/Dry Cleaning Facility
Naval Amphibious Base Little Creek,
Virginia Beach, Virginia**

The Department of the Navy (DoN) Installation Restoration Program announces a Record of Decision (ROD) for Site 12, Former Exchange Laundry/Dry Cleaning Facility, located at Naval Amphibious Base Little Creek, Virginia Beach, Virginia. The ROD documents the remedial action chosen for the site and the basis for selection of the action. Verbal and written comments received during the public meeting held during the 30-day comment period are documented in the Responsiveness Summary which is provided as part of the ROD. The Navy and the U.S. Environmental Protection Agency signed the ROD with written concurrence from the Virginia Department of Environmental Quality. Final signature on the ROD was received on September 30, 2005.

Copies of the ROD and all documents that formed the basis for selection of the action are available in the Administrative Record file for the site at:
