Board Meeting for  
Naval Amphibious Base Little Creek,  
Virginia Beach, Virginia  
and  
the Availability of the Engineering Evaluation/  
Cost Analysis for  
Site 13: PCP Dip Tank and Wash Rack**

In accordance with the guidelines established for the Navy's Installation Restoration (IR) Program, the Department of the Navy invites public participation at the Public/Restoration Advisory Board (RAB) Meeting. The meeting will be held to report progress on the IR Program and other environmental issues at NAB Little Creek. The RAB meeting will take place Thursday, September 3, 1998 at 1:00 pm at the Drexler Manor BOQ, Building 3408, in the second floor Sandpiper Conference Room on NAB Little Creek. Parking will be available in the BOQ residents' lot.

The Navy also seeks to inform the public of the availability of the Engineering Evaluation/Cost Analysis (EE/CA) for Site 13. The EE/CA documents the removal action alternatives and selection process. The EE/CA for Site 13, as well as other documents relating to the IR Program at NAB Little Creek are available to the public during normal business hours at each of the following information repositories:
