Dear Ms. Lombardo, Ms. Keckler, and Ms. Crump:

SUBJECT: REQUEST FOR EXTENSION TO EXISTING FEDERAL FACILITY AGREEMENT  
SCHEDULES; NAVAL STATION, NEWPORT, RHODE ISLAND

Pursuant to Section XV of the Federal Facility Agreement (FFA) for Naval Station (NAVSTA), Newport, Rhode Island, the Navy requested an extension to delivering the Draft Engineering Evaluation/Cost Analysis Report for MRP Site 1 via an email on August 3, 2011. As discussed, we discovered that we had inadvertently not accounted for time to review the internal draft and thus requested a 30 day extension to submitting the draft report from July 29, 2011 to August 29, 2011. We anticipate the draft will go out on August 29, 2011; however, due to the impending Hurricane Irene, the draft report may be a few days delayed. There are no other changes to the FFA schedule.

If you have any questions regarding this information, please contact Ms. Maritza Montegross at 757-341-2013.

Sincerely,

A handwritten signature in blue ink, appearing to read "Timothy A. Reisch".
