Maritza and Jim-

I have no further follow-up comments on the responses provided in the March 6, 2012 addendum to the Navy RTCs (of December 8, 2011). Still awaiting your response on my follow-up comment emailed on March 6, 2012 related to Navy's response on EPA General Comment 6 (of EPA's 10/18/10 comments). Looking forward to receipt of the Draft Final FS!
