Subject: Draft Proposed Plan
Site 8, NUSC Disposal Area, Naval Station Newport, Rhode Island

Dear Ms. Lombardo and Ms. Crump:

On behalf of Ms. Maritza Montegross, U.S. Navy NAVFAC, Tetra Tech is pleased to provide the draft Proposed Plan for Site 8 at the Naval Station Newport, Rhode Island. The Proposed Plan is consistent with the agreements reached for the ongoing Site 8 Feasibility Study. An expedited review schedule is requested in order to allow for completion of the Site 8 Record of Decision by September 2012. Therefore, the Navy requests that the Site 8 time slot during the May 16, 2012 Remedial Project Managers (RPM) meeting be used to discuss any major substantive comments from your initial review of the draft Proposed Plan. Afterwards, any unresolved comments should be provided to the Navy by May 25, 2012 for further consideration.

Please contact me at (978) 474-8449 or jim.ropp@tetrattech.com should you have any questions.

Sincerely,

James Ropp, P.E.
Project Manager
