Subj: REVISED FEDERAL FACILITY AGREEMENT SCHEDULE; NAVAL STATION NEWPORT, RI

Dear Ms. Lombardo, Ms. Keckler and Ms. Crump:

Per Federal Facility Agreement (FFA) Section XV, please find enclosed a revised schedule for the FFA deliverables for Environmental Restoration sites located at Naval Station Newport in Rhode Island. We last revised the FFA schedule in August; in this transmittal correspondence, the Navy proposed to establish a "living" project schedule to be reviewed at each Remedial Project Manager (RPM) meeting. At the September RPM meeting, the schedule was revised with the participation of all agencies. The Navy was tasked with verifying several items and providing the revised schedule. As we prepared this revised schedule to incorporate the information that was verified with our support contractors (Tetra-Tech and Resolution consultants), additional revisions were necessary to address recent agency requests for additional review on several documents.

If you have any questions regarding this revised schedule, please contact Ms. Maritza Montegross at 757-341-2013 or email: maritza.montegross@navy.mil.

Sincerely,

L. E. SIMMS
Assistant Operations Officer
By direction of the
Commanding Officer
