Subject: Transmittal of Appendices (Sampling and Analysis Plan) of the Draft Long-Term Management Plan
Site 09 [OU3], Old Fire Fighting Training Area
Naval Station Newport, Newport Rhode Island

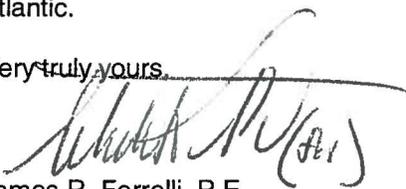

Dear Ms. Keckler, Ms. Crump:

Enclosed are two paper copies of the Appendices of the Draft Long-Term Management Plan for Operable Unit 3 (Site 09 – Old Fire Fighting Training Area). Also enclosed are Navy responses to the USEPA and RIDEM comments on the Conceptual Sampling Plan.

The transmittal letter dated April 2, 2013 indicated that paper and CD copies of the documents were mailed. The Appendices were sent in electronic format on the CD version of the Long-Term Management Plan, but paper copies of the enclosed documents were inadvertently omitted from that mailing and are now provided here.

Questions and comments on this material should be provided to Ms. Winoma Johnson, NAVFAC Mid-Atlantic.

Very truly yours,

James R. Forrelli, P.E.
Project Manager
