Dear Ms. Keckler, Ms. Crump:

On behalf of the U.S. Navy Naval Facilities Engineering Command Mid-Atlantic (NAVFAC MIDLANT) and Mr. Dominic O'Connor, Tetra Tech, Inc. (Tetra Tech) is pleased to submit draft responses to the comments received from the U.S. Environmental Protection Agency (EPA) Region 1 via email dated February 12, 2013 and comments received from the Rhode Island Department of Environmental Management (RIDEM) via email dated March 1, 2013 on the *Draft Feasibility Study (FS) for Site 19 – On-Shore Derecktor Shipyard, Naval Station Newport, Rhode Island* (Tetra Tech, 2012). Navy recognizes that the Remedial Project Managers (RPMs) of all parties (i.e. the Project Team) still are considering and evaluating with their respective management several issues related to both EPA and RIDEM comments/responses to comments (RTCs), per the Project Team conference call on April 5, 2013.
