**RE: Draft Sampling and Analysis Plan (SAP)
Soil Pre-Design Investigation (PDI)
Decision Units 1-1 and 1-3 at Tank Farm 1 (Site 7), Operable Unit 13
Naval Station (NAVSTA) Newport, Portsmouth, Rhode Island**

Dear Ms. Dolan and Ms. Crump:

On behalf of the Naval Facilities Engineering Command (NAVFAC), Mid-Atlantic (MIDLANT), Resolution Consultants is pleased to provide this Draft Sampling and Analysis Plan to conduct a soil pre-design investigation (PDI) at Decision Units (DUs) 1-1 and 1-3 at Tank Farm 1 (Site 7). This document has been prepared consistent with the scoping discussion that occurred during the March 2015 RPM meeting. The Navy is proceeding with submittal of this document because the soil PDI for DU 1-1 and 1-3 is independent of the ongoing discussions with the agencies relative to other aspects of Tank Farm 1.

In order to maintain the FFA schedule, any comments on this document are requested on or before September 21, 2015.

Please provide comments and suggestions to Cindy Castleberry, CTO Manager (781-224-6350), Mark Kauffman, Activity Coordinator (978-905-2262), and/or Jim Gravette, Navy RPM (757-341-2014). We look forward to working with you on this project.

Sincerely,

Cindy Castleberry, PE
Task Order Manager, CTO WE16
