Contract Task Order No. 008

Subject: Final Pre-Design Investigation Report Addendum,
Old Fire Fighting Training Area,
Naval Station Newport, Newport Rhode Island

Dear Mr. Frye:

Provided for your records are four copies (2 paper, 2 CD) of the Soil Pre-Design Investigation Report Addendum for the site referenced above. As the title indicates, this report is an addendum to the Final Soil Pre-Design Investigation Report for the Old Fire Fighting Training Area site (April 2005), and includes replacement figures 4-6, 4-7 and 4-8 from that report showing contaminant distribution at the site.

The final addendum was prepared based on responses to comments to the draft report. The draft addendum was submitted August 25, 2005. Comments were received by the US Environmental Protection Agency (EPA) September 19, 2005. At the RPMs meeting held November 16, 2005, the Rhode Island Department of Environmental Management (RIDEM) stated that they had no comments to the draft report. Responses to the EPA comments were submitted under Navy cover letter November 14, 2005.

If you have any questions regarding this material, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Stephen S. Parker'.

Stephen S. Parker, LSP
Project Manager
