Subject: Final Removal Action Completion Report
Non-Time-Critical Removal Action
Site 09, Old Fire Fighting Training Area
Naval Station Newport, Rhode Island

Dear Mr. Lim and Mr. Kulpa:

On behalf of Ms. Winoma Johnson (NAVFAC MidLant), attached for your records are two copies (paper and electronic copies on disc [CD]) of the Final Removal Action Completion Report for the Non-Time-Critical Removal Action performed at Site 09, Old Fire Fighting Training Area, at Naval Station Newport, Rhode Island. The document was prepared in accordance with the Navy's follow-up responses, issued on December 16, 2009, to EPA's review of the Navy's response to EPA's comments on the Draft Removal Action Completion Report. In a letter dated December 21, 2009, EPA advised that their comments had been addressed by the Navy's submittal. RIDEM did not provide comments on the Navy's July 21, 2009 comment response or the Navy's December 16, 2009 submittal. The Navy is issuing this final version for the site file and administrative record.

If you have any questions, please do not hesitate to contact me at 978-474-8412.

Very truly yours,

James R. Forrelli, PE
Project Manager
