Contract Task Order WE57

Subject: Revised Draft Final Lower Subbase (Operable Unit 4) Feasibility Study - Appendices
Naval Submarine Base-New London, Groton, Connecticut

Dear Mr. Gravette:

Please find enclosed two electronic copies (CDs) of the Appendices for the subject document for your review and concurrence. Electronic copies of the Appendices were also distributed to the other members of the Naval Submarine Base – New London team per the distribution list provided below for their review and concurrence.

Electronic versions of the following Appendices are included on the CDs:

- Appendix A – Human Health Risk Assessment
- Appendix B – Development of PRGs and Selection of COCs
- Appendix C – Computation of Contaminated Media Volumes
- Appendix D – Remedial Alternative Conceptual Design Calculations
- Appendix E – Remedial Alternative Cost Estimates

Comments received from the National Oceanic and Atmospheric Administration (NOAA), Connecticut Department of Environmental Protection (CTDEP), and Environmental Protection Agency (EPA) were addressed during preparation of the Appendices for the Revised Draft Final Lower Subbase Feasibility Study in accordance with the following response-to-comment documents:

- Responses to NOAA's February 21, 2010 Comments on the Draft Final Lower Subbase Feasibility Study (Initial Issue: March 11, 2010).
- Responses to CTDEP's March 29, 2010 Comments and June 3, 2010 Rebuttals on the Draft Final Lower Subbase Feasibility Study (Revision 1: June 9, 2010).
- Responses to EPA's March 1, 2010 Comments and May 25, 2010 Rebuttals, Draft Final Lower Subbase Feasibility Study (Revision 2: June 11, 2010).

Please provide your concurrence or additional comments on these Appendices for the Revised Draft Final Lower Subbase Feasibility Study at your earliest convenience. The remaining portions of the Revised Draft Final Lower Subbase Feasibility Study (i.e., text, tables, and figures for Sections 1 through 5) will be submitted to the team by July 23, 2010. If you have any questions regarding the enclosed Appendices, please contact me at (412) 921-8984.

Sincerely,

Corey A. Rich, P.E.
New London Base Coordinator/Project Manager
