Dear Mr. O'Connor:

Please find enclosed two electronic copies (CDs) of the subject Record of Decision (ROD) for your review and concurrence. Copies of the document were also distributed to the other members of the New London team per the distribution list provided below for their review and concurrence.

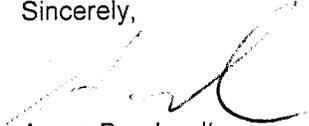

The draft final ROD was prepared in accordance with the following response-to-comment documents:

- Responses to CTDEEP's April 19, 2012 Comments on the Draft Record of Decision for Lower Subbase, Operable Unit 4, Naval Submarine Base – New London, Groton, Connecticut (Issued: May 8, 2012; CTDEEP Concurrence: June 5, 2012)

In addition, minor editorial changes were made to the ROD for consistency with the Proposed Plan. It should be noted that no comments on the preferred remedies documented in the Proposed Plan issued on March 30, 2012 were received during the Public Meeting on April 12, 2012 or the Public Comment Period from April 5, 2012 to May 4, 2012. Therefore, the March 30, 2012 Proposed Plan is considered the final version and will not be reissued.
