Final Submittal
Controlled Industrial Facility
Naval Submarine Base New London, Groton, Connecticut
FY98 MCON P-427

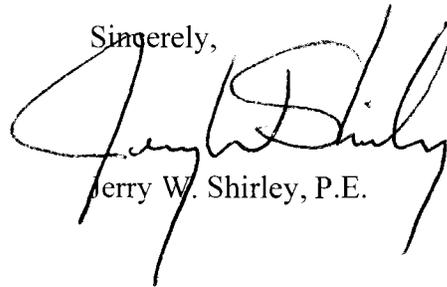

Dear Mr. Crist,

Enclosed is the final submittal package for the New London Controlled Industrial Facility.

The submittal register, responses to comments and other information we are required to send to you will be forwarded to you on Monday, December 1 for receipt in your office on Tuesday, December 2. Attached is a complete distribution list for this final submittal.

We are holding the mylars and disk copies of specifications and drawings until approved for release from LANTDIV. The Burns & McDonnell "approved by" signatures as required on the drawings and specifications will be provided on those final approved documents.

Sincerely,

Jerry W. Shirley, P.E.
