Re: Extension of the review period for the Defense Reutilization and Marketing Office  
Feasibility Study

Dear Mr. Evans:

I am hereby requesting an extension of the review period for the Defense Reutilization and Marketing Office Feasibility Study ("FS") pursuant to Sections 7 and 15 of the Federal Facilities Agreement dated November 5, 1994. EPA will transmit its comments on the FS, including the Applicable or Relevant and Appropriate requirements and the FS's consistency with the Comprehensive Environmental Response, Compensation and Liability Act, the National Contingency Plan (40 C.F.R. Part 300.430), and EPA's RI/FS guidance (OSWER Directive 9355.3-01, October 1988) by May 15, 1997.

I look forward to working with you and the Connecticut Department of Environmental Protection toward the cleanup of the Defense Reutilization and Marketing Office. Please do not hesitate to contact me at (617) 573-5777 should you wish to discuss this matter further.

Sincerely,

Kymerlee Keckler, Remedial Project Manager  
Federal Facilities Superfund Section
