Re: Request for Extension of Time for Submittal of State Comments Regarding Feasibility Study for Soil and Ground Water at the Lower Subbase for Naval Submarine Base New London, Groton, Connecticut

Dear Mr. Evans:

Pursuant to Section 7 of the Federal Facilities Agreement for the Naval Submarine Base New London, I am requesting a 30 day extension of the 60 day comment period for the Feasibility Study for Soil and Ground Water at the Lower Subbase. This report was originally received by the Department on July 26, 1999. I will attempt to review this document and provide comments to the Navy as quickly as possible.

I wish to thank you for your continued patience in this matter.

If you have any questions regarding this letter, please contact me at (860) 424-3768.

Sincerely,

A handwritten signature in cursive script that reads "Mark R. Lewis".
