Dear Mr. Stroud:

A Technical Review Committee (TRC) meeting has been scheduled at Naval Air Station (NAS) Oceana. The purpose of this meeting is to discuss and comment on the proposed investigation activities of environmentally contaminated sites at Oceana. The committee will include representatives from federal and state regulatory agencies, along with local government and community representatives. The meeting has been scheduled for 9 A.M. on October 31, 1991, in the Captain's Quarter room of the Oceana Officer's Club. Enclosure (1) shows the location of the Officer's Club on the base.

The meeting Agenda will include a brief background presentation, identification of areas of potential concern, and discussion of the latest Interim RCRA Facilities Investigation (RFI) Report and the proposed RFI Workplan. Enclosure (2) provides the Interim RFI report and RFI workplan for your review. Enclosure (3) provides Appendix D: laboratory Data.

You are requested to contact Mr. Will Bullard at (804) 433-2328 prior to the meeting to confirm your attendance and arrange for Station access.

Sincerely,

G. N. PIRTLE
