Re: Naval Air Station, Oceana Interim RCRA Facility
Investigation Report

Dear Mr. Thomson:

Enclosed is a copy of the Interim RCRA Facility Investigation Final Report for Naval Air Station, Oceana. Your letter of July 29, 1991, requested analytical results and associated Quality Assurance/Quality Control (QA/QC) information for samples collected at Naval Air Station, Oceana. The enclosed RCRA Facility Investigation report contains a summary of all the data collected during 1986 through 1990. However, Appendix D contains only QA/QC information from the 1990 sampling.

Should you need any additional information, our point of contact is Mr. Jesse Waltz. He can be reached at telephone (804) 445-6911.
