Re: Draft Final RCRA Facility Investigation (RFI)  
Phase II Report for Sites 2D, 2E, 15, 24, and 25  
at NAS Oceana

Dear Mr. Toth:

Enclosed please find four (4) copies of the Draft Final RFI Phase II Report for Sites 2D, 2E, 15, 24, and 25 at NAS Oceana for your review and comment. This report supersedes the Draft RFI Phase II Report submitted September 21, 1994. We would appreciate comments by May 15, 1995 in order to allow for preparation of an FY-95 design award scheduled for June, 1995.

Also, as mentioned in our February 15, 1995 meeting, this report will be the focus of our next RAB meeting scheduled for March 28, 1995 at 7:00 p.m. at the Virginia Beach Radisson Hotel. Please plan on an all day site visit beforehand. The knowledge gained from this site visit will be invaluable in understanding the sites and their relationship to each other.

Please call Jim Harris, RPM, NAS Oceana at (804) 322-4776 if you have questions or need additional information with regards to this submittal.

Sincerely,

J. F. HARRIS, P.E.  
Remedial Project Manager  
Installation Restoration Section  
(North)  
Environmental Programs Branch  
Environmental Quality Division  
By direction of the Commander
