RE: RCRA Facility Investigation Draft Report

Dear Captain Craine:

Thank you for providing us a copy of the RCRA Facility Investigation Draft Report Oceana Naval Air Station for comment. This document was received by the Department of Environmental Quality Waste Division Office of Enforcement and Compliance on July 14, 1993. However, the report has since been referred to the Superfund Federal Facilities Program for comment.

I assure you that my staff is making a serious effort to respond to you in a timely manner. Ordinarily, we require a minimum of 30 days from the receipt of the document to review and provide comments in accordance with the Defense State Memorandum of Agreement.

I know it will be a tight schedule for you, but we will respond to you no later than August 26, 1993. Ms. Erica Dameron of my staff has discussed this matter with Mr. Richard Hylton. This review date is acceptable to Mr. Hylton.

If you have any questions concerning this matter, please do not hesitate to contact Ms. Dameron at (804) 225-3257.

Thank you for your understanding.

Sincerely,

A handwritten signature in cursive script, appearing to read "K. C. Das".
