Dear Mr. Reisch:

Here are five copies of the revised Final Ecological Screening for SWMU 15 Biopile Soils Technical Memorandum. The Final submittal of last week contained an outdated Table 3. This submittal has the updated table. That was an oversight on my part and I apologize for the inconvenience. I have also sent four copies of the memo to Bob Stroud at EPA, two copies to Steve Mihalko at VADEQ, and one copy to Jeff Harlow at NWS Yorktown, Peter Knight at EPA, John McCloskey at the USFWS, Steve Petron at CH2M HILL, and Chris Wallace at LANTDIV. If you have any comments or questions, please call me at 703/471-6405 x4321.

Sincerely,

CH2M HILL
